

Prayer Focus – 08 – 14 August 2022 Germany, Lithuania and Poland Territory

Territorial leaders: Colonels Herve and Deborah Cachelin

Prayer requests:

For Lithuania

- Pray that hunger for God arises in Lithuania!
- Pray that Christians will commit to take over responsibility - for each other, their churches, for evangelism, for their country
- Pray that Christians will listen to God's voice in this geopolitically difficult situation and be witnesses for HIM
- Pray that we as The Salvation Army will be a blessing to people and lead them into a strong connection with Jesus.

For Poland

- Pray God will lead and direct the newly formed Salvation Army Foundation as it works towards opening the first Salvation Army Charity shop in Poland.
- Pray for families attending this year's Regional Family Camp and the camp team as they try to encourage, come alongside, and share the Gospel message. Pray that the presence of God be strongly felt throughout the week's activities.
- Thank God for the work being done at Corps level amongst the Ukrainian refugee communities. Pray that the refugees will integrate into, and feel part of the corps family and programs that is offered them. Pray also for continued and renewed strength for the Officers, soldiers and volunteers who work tirelessly meeting the needs of the refugees.

For Germany

We thank God

- for all the loving presence, for the good words and deeds that are lived out daily by people of The Salvation Army in corps, projects, social institutions and at THQ!
- for again and again new ideas and creative solutions in the midst of daily challenges and ongoing "construction sites"
- for a candidate who has just been appointed cadet

We ask God

- for patience with one another in the process of change through which the Territory has been passing for several years now
- for a good transition for the Territorial Leaders who are retiring and moving to another territory.
- for a good arrival of the new Territorial Leaders, as they leave an International Zone with its culture and settle into this new, culturally different territory. Pray for a good coming together and mutual understanding beyond language barriers.

- for the vacancy period in the summer until the arrival of the new leaders, when additional responsibilities and tasks for those being in charge at THQ have to be mastered
- for His care and provision in the multiple challenges that the leaders in corps, projects, social institutions and at THQ are daily facing. Pray that we are recognizing His working in the midst of everyday life.
- for the situation of the cadet and his family while he starts Officer's Training in combination with corps work

For our territory

- **COVID19** still is active and a lot of people at local level are infected and affected by aftereffects. Pray for God's healing presence.
- All three countries of the territory are receiving **refugees from Ukraine**. Please pray for wisdom how to welcome and care for these people. And pray for the care-givers and helpers to cope wisely with these ongoing demands.
- Pray for each country and their **national (spiritual) challenges** – as the threat and fear of a greater European military conflict is spreading. Pray for willingness to listen to God's voice and seek Him as a safe place (Ps 43).
- And pray that we will be **responsive to the Holy Spirit's work and obedient to his leading** - in our personal lives and together at all levels.

Be richly blessed for supporting our Territory in prayer! 😊
