

Prayer Focus – 18 - 24 July 2022
Japan Territory

Territorial leaders: Colonels Stephen and Wendy Morris

Prayer requests:

Please pray so that,

- The Salvation Army may provide place for children and young adult to gather and meet their needs.
- The territory may respond to the spiritual hunger of young people and encourage their spiritual growth.
- There may be more candidates.
- The small number of officers that we have may be strengthened physically and spiritually to communicate the true word of God.
- The aging soldiers and officers' health and welfare may be kept well.

Thank you very much.
