

## Prayer Focus – 31 October – 06 November 2022 Papua New Guinea and Solomon Islands Territory

**Territorial Leaders:** Colonels Garth and Patti Niemand

### Prayer requests:

- Give thanks to the Lord, that despite many challenges, the PNGSI Territory continues to plant new congregations, enrol new soldiers, and increase the active officer force year on year.
- Pray for the physical health of our officers around the territory, as they minister in remote appointments while having to contend with an inadequate national health system.
- Pray for the children of our officers who are separated from their parents due to the lack of sufficient schooling in many parts of PNG. We thank God for the international support that allows the territory to cover school fees for officers' children.
- Pray for the leadership in the Solomon Islands (Majors Robert & Vanessa Evans) as they diligently implement their district development strategy to develop local leaders, enhance financial sustainability, and to grow their missional footprint.
- Pray for the continued implementation of the Territorial Strategic Plan: "Rebuild-Restore-Renew-2025", as we address the priorities of the territory under the pillars of sanctification, service, sustainability and strategy.
- Pray for the preparations for the Commissioning events at the two campuses (Port Moresby and Kainantu) in late November and early December, respectively.
- Pray for the launch of the 2023 territorial theme: 'Regeneration' - *"I'm going to grow tendons on you, regenerate your flesh, cover you with skin, and make you breathe again so that you can come back to life and learn that I am the Lord" Ezekiel 37:6 (ISV)*. May the Spirit breathe new life into his people again and keep us holy, faithful and energised.
- Give thanks to God for the many young people in The Salvation Army and pray for their protection and that they will reach their full potential in the church, and in the nations of PNG and the Solomon Islands.
- Prayer for the Salvationist to grow mature in their faith in the Lord Jesus Christ and they will effectively reach out to those who are not save.
