

# Easy Macrame Rainbow

## Tools/Supplies

- Hot glue gun
- Scissors
- Wire cutters
- Cotton rope – inside (smallest) row cut 12 strands to 14"
- Yarn in various colors (medium weight)
- Glue sticks
- Floral wire – 22 gauge (doubled for each color of the rainbow – smallest one 11")
- Painters Tape

- Lay doubled wire onto 12 strands of cotton string. Secure ends with painter's tape. (pic #1)
- Begin wrapping desired color of yarn around the string and wire until the desired length is covered with yarn. (pic #2)
- Tie end and hot glue down to secure. Remove tape.

Cut off exposed ends of wire. Glue all 4 rows together in the shape of a rainbow. Trim ends of cotton string about 2 inches below rainbow. Brush out the strands of string. Hot glue a length of string to the back as a hanger. (pic #3)
