

Prayer Focus – 14 – 20 August 2023

Mexico Territory

Territorial Leaders: Colonels Ricardo and Mirtha Fernandez

Prayer requests:

- Territorial Strategic Plan 2023-2026: we request your prayers for the implementation of our Territorial Strategic Plan so God will help us all Officers and friends of the Salvation Army to put into practice this plan which has been elaborated with the participation of many people throughout the Territory.
- School for Officers Training Candidates: We request your prayers for the eight accepted candidates for the Session Champions of the Mission, and others that are yet in process.
- Territorial Women’s Ministry: We request for your prayers for the Territorial Women’s Ministry Camp that will be held in Acapulco. It is our prayer that the 422 women that will be attending this camp have a renewal and spiritual growth through an encounter with God so their lives could be transformed.
- Growth of the Mission in Mexico: We ask for your prayers so that each officer and soldier can promote and be an agent to help extend The Salvation Army Mission in their communities since God has given each one of them talents and gifts that can be used to transform people's lives.
