

Prayer Focus – 31 July – 06 August 2023 Japan Territory

Territorial Leaders: Colonels Stephen and Wendy Morris

Prayer requests:

Praise Points

- We praise God for the work of the Mission Team from USA Southern Territory, who have been ministering throughout the territory in recent weeks, sharing the love of Jesus through testimony, song and hospitality.
- We praise God for technological capabilities that allow salvationists and friends to come together from all over the country and share in significant occasions together.
- We praise God for the recent Post-Commissioning Seminar, providing opportunity for officers within their first five years of ministry as well as those officers who have served between ten to fifteen years to come together for a time of learning, spiritual growth and development, and mutual encouragement.

Prayer Points

- Please pray for the Japan Territory as it continues to emerge in a post-Covid19 environment; for direction as to how to re-engage with our corps, centres and communities in meaningful ways.
- Please pray for the spiritual and physical health and well-being of all officers, staff, soldiers and participants in each corps and centre throughout the territory.
- Please pray for salvationists in this territory as they continue to worship in spirit and truth (John 4:23-24); that they may be filled with an indescribable joy and the promise of hope in all they do.
- Please pray for the ongoing development of a Territorial Education, Training and Spiritual Life Development Strategy for the Territory.
- Please pray for the provision of cadets for officer training in creative and flexible ways as the Territory responds to the need for Leader Development.
