

Defining What We Value

What if what we traditionally think of as a "program" is actually just a community?

Flourishing in life doesn't always come naturally, but it can when a place is created for a gathering, where women come together, and find just what they need for life - connection, belonging and community.

What does gathering look like if you focused on building community around needs, interests, or seasons of life?

- Adult Literacy
- Baby Care
- Bible Journaling
