

A collage of various patterned papers and fabrics is displayed on a wooden surface. The materials include a dark green textured fabric, a teal paper with a gold floral pattern, a purple textured fabric with a scalloped edge, and a light blue paper with a pattern of white circles and colorful starburst designs. The text "Let's Make a Journal!" is overlaid on a black banner at the bottom.

Let's Make a Journal!

Journal Pages

- Create the journal pages in MS Word.
- Use 8.5 x 11" paper landscape.
- Print lines on both sides of the paper.
- Fold 5 pages in half together.

He says, "Be still, and know that I am God
I will be exalted among the nations,
I will be exalted in the earth."

Psalms 46:10

Journal Cover

Use scrapbook paper or any heavy weight decorative paper to make the cover.

- Cut the paper for the cover 8 $\frac{3}{4}$ " x 12".
- Fold it in half.
- Add decorative binder paper

Be creative!

Binding

To hold the pages inside the journal:

- Use a sharp object to make holes through the journal pages and cover.
- Thread craft cord through a needle with a large eye.
- Sew the pages to the cover and tie the ends inside the journal.
