

## Women's Ministries Craft – Death to Resurrection Mosaic Cross

“That I may know Christ, and the power of His resurrection, and the fellowship of His sufferings...being conformed to His death”. ~ Philippians 3:10

Beauty from brokenness is shown in this beautiful craft that highlights Christ's journey to the cross. By letting His body be broken for us we experience the transforming work of His love within us.

### MOSAIC CROSS CRAFT

Supplies:

- Unfinished wood cross: Amazon
- China or ceramic dishes in various colors that work well together: SA Thrift Store
- Grout (bone): Home Depot
- Adhesive Hangers: Amazon
- Craft Sticks Michaels
- Hammer
- Measuring cup
- Water
- Bowls for mosaic shards
- Plastic gloves
- Plastic jewels (if desired)
- Tacky Glue (if needed)
- Paper grocery bags (or another bag)

Step 1:

Set up your table (cover it with a plastic cloth for an easy clean up).

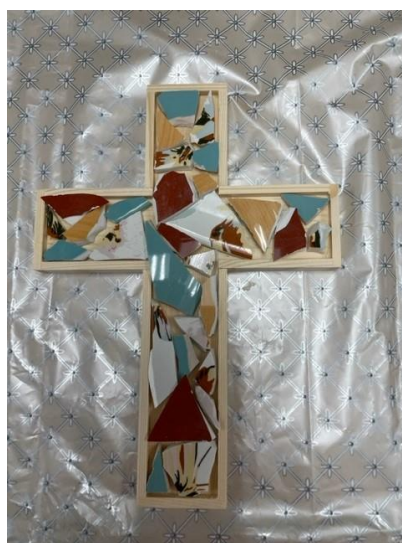

Step 2:

Using a brown paper grocery bag and hammer, slowly break apart the plates

Step 3:

Place your shards into a cross to line up how you want the finished piece to look

Step 4:

Mix the grout to the consistency of pancake batter. Using a craft stick, carefully pour the grout into the cross (try to avoid getting it onto the sides – you may need a few paper towels for this step)

Step 5:

If you have two crosses that you're working on, you can place them side by side and transfer the shards from one cross to another.

Step 6:

Carefully press the shards into the grout and let dry overnight (place an adhesive hanger on the back)
