

## Prayer Focus 12 - 18 February 2024 USA Southern Territory

### Territorial Leaders:

Commissioner Kelly Igleheart - Territorial Commander

Commissioner Donna Igleheart - Territorial President of Women's Ministries

Colonel Deborah Sedlar - Chief Secretary

### Prayer requests:

- We ask God's blessings upon our Territorial Priorities that are divided between three categories: Love, Serve and Disciple. The emphasis is "All for Jesus" as we move through 2024 in all levels of Salvation Army service and ministry.
- We are boldly asking God for 50 candidates for the Keepers of the Covenant Session entering the training college this August. Pray that men and women will heed God's call to be officers.
- Although we have resumed all our activities, the attendances in our corps are still below what they were before the pandemic. Pray for God's Spirit to quicken the hearts of those who have become spiritually lazy and that there would be renewal in our ranks.
- Pray for our ministry among those suffering most acutely. Opioid and meth addiction is at epidemic levels in areas of our territory. Human trafficking is increasing despite efforts to intercede. The Army is doing meaningful work with wonderful results but so much more needs to be done.
- We praise God for our evangelistic outreach through our frontline ministries in the corps and adult rehabilitation centers, our online ministries (Soundcast in English and Spanish), and through social media. We ask for wisdom as we seek the Spirit's guidance to reach more souls for God's kingdom.
