Prayer requests:

- Pray that we will continue to have good people in government of the four countries who will make the welfare of people the priority in every government policy.
- Pray for sustainability in all our services, as well as outreach, that God will continue to provide the resources and at the same time show us more opportunities to meet the ever-changing needs of people.
- Pray that our officers, soldiers, staff and volunteers will be united and stand firm to uphold the functional role of the corps and be constantly reminded that together we are to be evangelical and united with churches around the world so that, as one Church in Jesus Christ, we participate in saving souls and making disciples for the glory of God.
- Pray for all our outreach programmes and initiatives to have a positive and lasting impact on the communities we serve. We ask for God's blessing on all the efforts to meet the physical, emotional, and spiritual needs of those we serve.
- Pray for the successful registration of Yangon Girls Home and Phyu Boys Home.
- Pray for the approval of the application for The Salvation Army in Myanmar to carry out social work in the country.
- Pray for Cadets Tharadon (Don) and Sriwilai (Nid) from Thailand as they go through their training to be officers (who will be the first national couple officer) ready for commissioning during the General's visit to Chiangmai, Thailand in April 2024.
- Pray for God's provision of sufficient resources, including financial support, volunteers, and partnerships, to enable the expansion of our services and reach more people in need.
