### Prayer requests:

- We thank God that He is alive and well in our Territory. We thank Him for the blessings he pours out and for what the future holds for His Kingdom.
- Pray for continued movement of the Holy Spirit through the Territory. In every program, ministry, corps and division, we want the Holy Spirit to continue to guide us in every way.
- For God to continue to bring men and women as officers. We had a beautiful Future Officers Fellowship weekend, and we praise God for commitments made. We believe God is continuing to call and we are asking that hearts be open to that calling and His leading.
- We ask for prayers for our remotest ministries in Saipan, Chuuk, Guam, Pohnpei, Majuro and the islands, as well as the remotest places in Alaska. May God continue to bring resources for the ministry there. And we ask for prayer over the officers and ministry leaders in these areas, that they would remain safe and well and uplifted by the prayers and encouragement of others.
- We believe that revival is here in this Territory. We can sense it, and we ask for prayer that this would continue, and that men and women and girls and boys would come to know Jesus as their personal Saviour. And that those who know Him would grow deeper in their faith.
