### Prayer requests:

- We pray for the salvation of people! Multitudes of men and women need to have their lives transformed by meeting with Jesus Christ.
- We pray for an increasing growth in Christlikeness among our Salvationists.
- In our desperate need of Candidates, we pray that women and men would heed God's calling for officership.
- Pray that the planned transferring of Officers would lead Officers and members into a greater expectation of God. Officers moving into new appointments has rarely taken place in Latvia.
- Pray for the strategy and planning for a Corps planting in 2025 in Latvia
