

## Prayer Focus 8 – 14 April 2024 Australia Territory

### Territorial Leaders:

**Commissioner Miriam Gluyas** - Territorial Commander  
**Colonel Winsome Merrett** - Chief Secretary

### Prayer requests:

Please pray:

- For our rallying cry to become our reality: 'Jesus-centred, Spirit led, Hope revealed'.
- That God would give us wisdom and the most effective ways to live the rallying cry out, from all of our mission expressions and sites.
- For the right leaders to rise up and to be raised up and tapped on the shoulder.
- That we live out who we are, in what we believe and who we are.
- For new ways of being and doing church to rise up across the nation.
- The Israel/Palestine conflict, and the impact this is having in our Australian communities.
- Ongoing guidance as The Salvation Army Australia responds to a country that refers to itself as 'post-Christian'.
- For a greater witness of who Jesus Christ is, to one another and our community.
- For salvation to be our greatest hope and prayer, from people to the planet.
- For deeper commitment to and seeking of discernment, so we can know God's will, offer God thanksgiving and follow God's plan.
- Our *A Year of Prayer* national prayer initiative: that all Salvationists may embrace this, praying together, for each other, for our movement and for our nation.
- For greater unity: That we may be known for the love we have for one another.
- For integrated mission.

- That we would value the learnings of our young people and incorporate these into our movement's future and present direction: willing to be uncomfortable, willing to try and fail, and making faith integral to all our plans and action.
