Prayer requests:

Switzerland

- Give thanks and pray for the start of a new strategy period, which we have entitled "Lives transformed". May Jesus transform the lives of many people in our corps and social centers!
- Pray for workers for the harvest. Only one cadet is being sent out this summer, and no one has signed up for officer training this year.

Austria

- Pray for the management team in Vienna under the leadership of Major Gerhard Wyss. A redistribution of responsibilities is planned - pray for wisdom for this.
- Pray for our small corps in Vienna, which is seeking new ways of reaching out to their neighbourhood.

Hungary

- Pray for our French-speaking regional leaders who face the daily challenge of the Hungarian language, which is foreign to them. Ask for strength, motivation, and wisdom.
- Give thanks and pray for the preparations for the 100th anniversary of The Salvation Army in Hungary. The celebrations will take place from 24 - 26 May 2024 in Budapest.
