

Prayer Focus 22 July – 28 July 2024

Japan Territory

Territorial Leaders

Colonel Stephen Morris – Territorial Commander

Colonel Wendy Morris – Territorial President of Women's Ministries

Lieutenant Colonel Tamotsu Nishimura – Chief Secretary

Lieutenant Colonel Kazue Nishimura – Territorial Secretary for Women's Ministries

Praise Points

- Praise God for a successful launch of the “525 Campaign – Together We Enter the Gates of The Lord!”, a territorial prayer initiative with accompanying Devotion Guidebook, as we believe for 5 cadets in 2025!

Prayer Points

Japan Territory

- The territorial theme for 2024 is “Generation to Generation” based on Psalm 145:4-5 (NIV). Please pray that the spiritual legacy of previous generations of salvationists will continue to be built upon, expressed in creative and innovative ways to future generations.
- Please pray for the Executive Officers' Councils. This year, the first session was held in June and another session will take place in October; please pray for the territorial leadership team as they lead and guide these important gatherings.
- Please pray for all corps and social centres located throughout the territory; pray for all mission expression leaders and their teams; pray also for those who are recipients of their ministry.

Salvation Army Emergency Services (SAES)

- Please pray for the SAES teams that have been supporting local churches and serving community members on the Noto Peninsula following an earthquake on January 1st this year.
- Please pray for the team leaders and volunteers as they provide ongoing emergency assistance in this way, and that the connections made between local churches and community members will continue to grow and deepen.

Obihiro Corps (Hokkaido Division)

Lieutenants Kiyoshi & Mitsuyo Higuchi (Corps Officers)

- Please pray that parents and children who are isolated in the area or who are worried about raising children can come to Obihiro Corps' Family Song program and that they might encounter God's love through this important ministry.
- Please pray that the Obihiro Corps will be able to begin further work in the community.

Officer Training College

Major Daniel Templeman Twells (Training Principal)

- Please pray for a positive response throughout the 525 Campaign (May 2024 – March 2025), that people will respond to God's calling upon their lives and offer themselves for officer training in the 2025 academic year.
- Please pray for the staff of the Officer Training College as they prepare in faith to receive officer cadets for training and explore new ways of providing theological education and spiritual life development opportunities for all people throughout the territory in the years ahead.

Thank you for your continued prayers for the Japan Territory!
