

**Prayer Focus 30 September - 6 October 2024**  
**New Zealand, Fiji, Tonga and Samoa Territory**

**Territorial Leaders:**

**Commissioner Mark Campbell** - Territorial Commander

**Commissioner Julie Campbell** - Territorial President of Women's Ministries

**Colonel Gerald Walker** - Chief Secretary

**Lieutenant-Colonel Elsi Sarimin** - Territorial Secretary for Women's Ministries

**Whole Territory**

Praise – We give thanks that God is doing a good work in our Recovery Churches which are flourishing and seeing people connect deeper in their faith. There has also been an upturn in attendance at worship services across the territory.

Prayer – For guidance and wisdom as the territory continues to work through its Sustainability Roadmap. Ensuring that we are being good stewards of our resources to fulfil our vision and mission and to see greater mission impact for the Kingdom of God

**New Zealand**

Praise – We give thanks to God for the relatively smooth transition to our new Local Mission Delivery and Connected Support Network Model that has been rolled out in New Zealand this year.

Prayer – For more candidates for 2025. We desire to see more people respond to the call of God on their lives for fulltime service.

**Fiji**

Praise – For the increase in discipleship, soldiership and community impact since the 50<sup>th</sup> Anniversary Celebrations in December 2023.

Prayer – Discernment and funding for an appropriate response to the ever-growing drug use, trafficking problem and homelessness issues particularly for children in Fiji. (see attached link [Street kids turn to meth in Fiji as drug spreads - youth worker \(1news.co.nz\)](#) )

**Tonga**

Praise – For the lives changed and enriched at the recent Amplify Creative Arts Camp. Over 60 young people gathered to deepen in their faith and to learn new ways to express their worship and love for God.

Prayer – For new premises for the Regional Headquarters and ADAC (Alcohol & Drug Awareness Centre). Their rental agreement is coming to an end shortly so new premises are required urgently.

## Samoa

Praise - for our recent Women's Ministry Market Day. This was a great opportunity of outreach to our neighbours and surrounding community.

Prayer – For CHOGM (Commonwealth Heads of Government Meeting) being held in Samoa in October. This event will bring a boost to Samoa's economy but will also be a time of challenge for families in the community with schools closed and many services reduced including within The Salvation Army.
