

## Prayer Focus 9 - 15 September 2024

### Mexico Territory

#### **Territorial Leaders:**

Lieut-Colonel Agripina Góchez - Territorial Commander

Lieut-Colonel Gerardo Góchez - Territorial Leader for Officer Development

Lieut-Colonel Leonardo Fernandez - Chief Secretary

Lieut-Colonel Evangelina Fernandez - Territorial Secretary for Women's Ministries

#### **As a territory, we are thanking God for:**

The cadets who entered the training school - 8 cadets in the '*Champions of the Mission*' session and 7 cadets of the '*Covenant Keepers*' session. Their achievements are a testament to their faith and to the glory of our God. We thank God and ask for more workers for the Lord's vineyard.

#### **Please pray for:**

Mexico to increase its membership following the 'Hope' Strategic Plan. While 280 adult soldiers, 205 Adherents, 41 junior soldiers and 283 Home League members enlisted during 2023, we have yet to reach our growth indicators, and our challenge is to keep growing the Army in this beautiful country.

A holiness revival to keep growing after Mexico's Territorial Holiness Seminar which was held May 2024.

More evangelistic expressions, with the challenge in mind to celebrate one open air meeting per corps, per month.

Expansion of the mission, opening four new works before the end of the Strategic Plan in 2026.
