

Prayer Focus 14 – 20 October 2024

Papua New Guinea & Solomon Islands Territory

Territorial Leaders:

Colonel Chris Goa	-	Territorial Commander
Colonel Tilitah Goa	-	Territorial President of Women’s Ministries
Lieut-Colonel Garth Stevenson	-	Chief Secretary
Lieut-Colonel Suzanne Stevenson	-	Territorial Secretary for Women’s Ministries & Assistant Chief Secretary

Prayer requests:

1. Reviewing of the Territorial Strategic Plan

As the territory's current strategic plan spans 5 years, with next year being the final year of this cycle, it is crucial to evaluate our progress before moving forward with the re-development of the next 5-year strategic plan.

2. Territorial Theme 2021–2025

The theme, ‘Rebuild, Restore, Renew’, has guided us from 2021 through 2025. As we enter 2025, the focus shifts to ‘Revival’. With the theme officially launched during the 2024 Territorial Leaders Conference in July, all divisions, districts, and centres must embrace this theme fully, ensuring that the territory experiences a spiritual revival across all areas of ministry and mission and in the lives of salvationists.

3. Spiritual Growth of Soldiers and Officers

Please pray for our soldiers and officers to be embedded in living holy lives, remaining deeply rooted in their faith, and growing in their love and commitment to God.

4. Health Issues in Officers

Please pray for the health of our active officers. Two active officers have been Promoted to Glory during 2024, so please pray that good health will be maintained for all our officers.

5. Ongoing Support for Territorial Funding

Please pray for stewardship at all levels within the territory and the boost of local income-generating projects.

6. Prayer needs for the Solomon Islands

- Making it Happen Project – A project for construction of officers quarters in the village churches in the provinces.
- Mission travel – safe travel to village churches to follow up on new mission opportunities.
- District quarters repairs and maintenance

7. Ordination & Commissioning

Please pray for the cadets of the *Champions of the Mission* session as they are ordained and commissioned, the Port Moresby campus on the 1 December 2024 and the Kainantu campus on the 8 December 2024.

Thanking God:

1. We praise God for the territorial theme of 'Rebuild, Restore, Renew,' **'A Year of Reclamation'**. Souls have returned to God through evangelism, outreach programs, crusades, congress, men and women's camps, youth councils, and Sunday School rallies, and we continue to see more and more lives experiencing a 'turnaround'. Corps activities and programmes that have gone inactive, have been reclaimed and revived.
2. We praise God for the prayer cells rising amongst officers and soldiers, throughout the territory. And for prayers being answered.
3. We praise God for his mission that continues to spread throughout the territory. All to the Glory of God.
