

Women's Ministries Craft – Christmas DIY Thank You Cards (December 2024)

Philemon 1:4 - "I always thank my God as I remember you in my prayers, 5 because I hear about your love for all his holy people and your faith in the Lord Jesus."

The celebration of our Savior's birth always brings along with the season a beautiful sharing of gifts with those we love and cherish. As a special "thank you" to our family and friends, why not create a card for them that's personal and very unique!

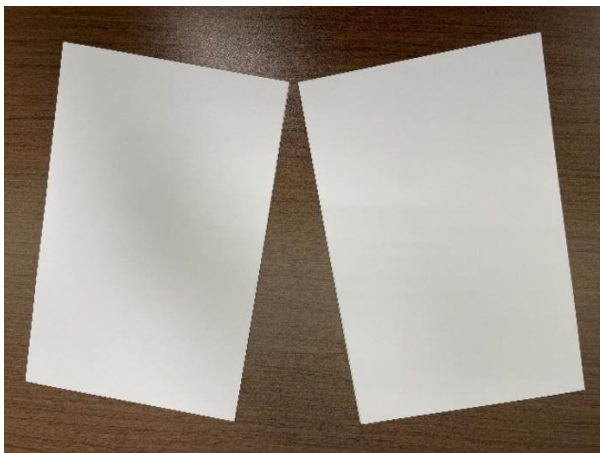

Supplies:

- Plastic gems (I use 1-inch in size, but you can go smaller too)
- Cardstock (8.5 x 11 - in any color)
- Glue Dots (or Tacky Glue)
- Gel Pen (or calligraphy pen)
- Envelopes (4 x 6 – thicker paper would be better for mailing)
- Paper Cutter
- Ruler (optional)

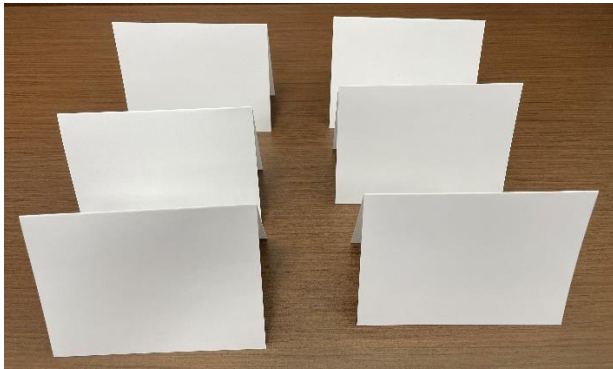

Step 1:

Turn your cardstock to landscape and use a paper cutter to cut each sheet down the middle.

Step 2:

Turn your half sheets longwise and fold them in half (the fold should be a top).

Step 3:

Using a ruler, mark the center of the top of the card and line up your gems as you would like them to look on the card. Using Glue Dots, place a Dot on the back of each gem and secure it to your card, placing the gem where you lined it up originally.

Step 4:

Starting at the top of the card, draw a line (straight or curvy) from the top to the card to the gem and add a little bow anywhere on the line.

Step 5:

You can write "Thank You!" or "Thank You So Much!" at the bottom of the card, write a simple note on the inside and place it in your envelope for mailing to your intended recipient.

Each card will be unique and a fun surprise for those who didn't expect a fabulous "Thank You" card!
