- our Territorial Womens Ministries Camp 2024 which took place from 22 – 27 October 2024. Women from Chile, Peru, Ecuador and Bolivia gathered together for the first time in eight years under the theme *Connected* (based on John 15). We are also expecting 500 women in Ancon-Peru to gather following a Territorial Officers' Councils under the theme *Send Me!*
- 19 candidates who are expected to go into officer training in 2025 (currently 14 have been accepted and 5 are still in process).

- The ten new Love feeding centres (that those who attend these centres will not only find food but will find salvation in Jesus too)
- the three new offices in Peru, Ecuador and Chile to support vulnerable women. These offices have been opened in response to the Battle Cry with one due to open in Bolivia as well.
- the continuing initiatives which seek to ensure all our Salvation Army officers are able to obtain 100% of their allowance.
