Prayers of Praise and Thanksgiving

- We give thanks to God for the recent officers and leaders councils and the Territorial Congress led by General Lyndon Buckingham and Commissioner Bronwyn Buckingham. We thank God that the Holy Spirit's presence was felt, people made new commitments and people were encouraged and uplifted by this time of fellowship and worship.
- We give thanks for the commissioning of two new Lieutenants and the start of training for two new cadets. Please pray for the new officers, cadets and their families.
- We give thanks for the commitment and dedication of soldiers, officers, employees and volunteers in Germany, Lithuania and Poland who show the love of Jesus to others through their actions.

Prayer Requests

- For the encouragement of seeing lives transformed by the power of Jesus in all three countries of the Territory.
- For strength and grace for our officers, many of whom bear heavy workloads and juggle many responsibilities.
- For more people to offer for officership and local officership.

- For resources to care for the many Ukrainian refugees who still need assistance.
- Our personnel are often isolated as they serve significant distances from each other. Please pray for wisdom as we strengthen systems of support for corps, centres and community-based work.
