

Prayer Focus 30 December 2024 – 5 January 2025

The Salvation Army International

This week, we invite you to spend some time in prayer for The Salvation Army in your context and around the world. Ask the Lord to guide you as you pray. You may want to use The Salvation Army International website to learn more about expressions of ministry in different areas of the world, to read news stories or discover more about our global focus.

- **Disciples of Jesus.** We pray that all Salvationists will have renewed desire to pursue holy living, to prioritise their relationship with Jesus, to know him, to become more like him and to do the things he did.
- **People, mission and legacy.** We pray that The Salvation Army will be a movement of empowered people, equipped to share the love of Christ and the transforming power of God in local communities around the world. We pray for wisdom and discernment, for fresh energy and creativity, as we intentionally focus on our people, our mission and our legacy in 2025.
- **160 years of The Salvation Army.** 2025 marks 160 years since Founders William and Catherine Booth commenced the work of The Salvation Army. As we recognise this milestone for our movement, we celebrate what God has done and continues to do in and through The Salvation Army.

We thank God for everyone around the world who participates in the mission God has given The Salvation Army - to preach the gospel of Jesus Christ and meet human needs in his name without discrimination. As we step into a new year, may we all continue to be sensitive to the Spirit's leading and respond with courage. May we continue to demonstrate God's love to others, wherever we find ourselves, and through our words and actions, may others come to know Jesus too.
