Supplies Needed

Cardboard for each person 8x11 (recycled cardboard)

Puzzle Pieces (500 is what I used)

1 Big Heart

1 small Heart

Glue

Scissors

X-Acto Knife

Red Spray Paint Fast drying

Cutting board or Large cardboard Piece

Cardstock for Banner

Directions

Step one: Print out Hearts one large and one Small for each Person.

Step Two: Print Banners using Cardstock (I used Baguet Script 48)

Working on Craft

Step Three: Glue big heart to Cardboard, Cut out big heart around outer edge.

Step Four: Cut out small heart and Glue to big heart, center it then using X-Acto knife to cut out small heart, this will create a frame heart.

Step Five: Glue Puzzle pieces to Frame heart making sure some pieces are a little off the frame on both the outer frame and inside frame and as close to each other as possible.

Step Six: Place more puzzle pieces on top of the first layer to make it a double layer. Put Glue directly on to puzzle pieces Let Glue dry for 10 min.

Step Seven: Take Spray paint fast dry out side in a shallow cardboard box spray Heart Piece 2 times allow time for first layer to dry. (optional spray some pieces a different color for a top color)

Step Eight: Turn over To Glue Banner on to back of Frame
