

Prayer Focus 24 February – 02 March 2025
Democratic Republic of Congo Territory

Territorial Leaders:

Colonel Graçia Matondo - Territorial Commander

Colonel Lydia Matondo - Territorial President for Women's Ministries

Lieut-Colonel Dieudonné Tsilulu - Chief Secretary

Lieut-Colonel Philippine Tsilulu - Territorial Secretary for Women's Ministries

Prayer Request:

For the country

For more than a decade, our country has been experiencing a war of aggression that has caused more than 6 million deaths to date, so we pray:

- May the Lord protect the DRC, in the face of the threats of various pandemics that are disturbing the country and against the war of aggression that is causing a lot of material damage and damage to human life (people becoming refugees, homeless or orphans etc.).
- May the Lord break through into the lives of children and young people who are involved in a culture of violence and abuse on the streets of Kinshasa.
- May the Lord touch the hearts of decision-makers so that peace may reign throughout the country, and more precisely in the East.

For the territory

- Pray for the commissioning of new officers in June and for the new candidates who will be consecrated as cadets in October 2025.
- May the Lord give us the necessary means to concretize and carry out this great mission which is the salvation of souls. Pray that there be the opening of new posts and outposts.
- May the Lord bless and protect all the officers who are full-time in his service regardless of their background, may he bless the Salvationists and friends, may he increase the faith in each one so that there may be a total consecration and that his work may go forward.
