**Prayer Requests:**

- Pray for spiritual renewal at the corps and ARC level. A true move of His Holy Spirit to enliven our missional work.
- Pray for God himself to display favour toward us and allow the overflowing blessings of Heaven itself (financial and beyond) to fall upon us.
- Pray for our frontline officers; that they will sense their worth to the Kingdom and to the Army and that they will feel emboldened and encouraged in their work.
- Pray for Godly discernment for our Territorial Leaders as they seek him to navigate through these unparalleled and complicated times. Give them the mind of Christ.
- Pray that the Lord of the Harvest will send workers into his vineyard. In this regard a special prayer that the Spirit will lead men and women into officership as a high and noble calling.
- Pray for the tens of thousands that come through our doors seeking help and assistance. May supernatural bridges of ministry be built into these ministries by the power of God.
- Pray for unity in our nation. May our corps and centres be places of peace, reconciliation and grace.
