

Prayer Focus 5-11 May 2025
Kenya East Territory

Territorial Leaders:

Colonel Daniel Kiama - Territorial Commander

Colonel Anne Kiama - Territorial President for Women's Ministries

Lieut-Colonel Mario Nhacumba - Chief Secretary

Lieut-Colonel Celeste Nhacumba - Territorial Secretary for Women's Ministries

Praise Points:

We are grateful to God for a successful five-day Territorial Prayer and Fasting event, which took place at the beginning of this year (13-17 January 2025). The event brought with it a sense of rejuvenation and commitment. Salvationists were re-energised spiritually, psychologically, emotionally and physically for the service of God. We have heard powerful personal testimonies of spiritual deliverance and newfound freedom in Christ, of emotional breakthrough and reconciliation among estranged families and of spiritual transformation, physical healing and renewed faith in God.

Prayer Requests:

- We pray for God's spirit to lead us as a territory, as we play our part in empowering people, enhancing mission impact and establishing an enduring legacy in response to the General's call on the Global Strategic Framework (GSF).
- We pray that the spirit of soul winning in all programmes - in youth and children ministries, men ministries, women ministries, social, community and projects - will continue to be our priority.
- We pray for spiritual awakening, renewal and deeper commitment to God's will of all salvationists in the Territory. We seek God's guidance, fresh anointing and spiritual growth, that we may rise to new and greater heights in faith and service in 2025 and beyond.
- We pray that all the events and activities scheduled to take place this year in our corps, institutions, commands, in different communities, including all territorial appeals, will bring glory and honour to God.
- We pray for success of all Command Reviews which are scheduled to begin from March 2025, and that God will grant abundant grace and favour to our Territorial Leaders and to all those who will be involved during the review exercise.
- We pray for the well-being and good health of all active and retired officers, all employees and all salvationists in our territory.

- We pray for peace, stability, harmony and unity in our nation of Kenya. May God inspire our National Leaders and all citizens to love and support one another so that we may realise a healthy and a caring nation.
