Brazil Territory

Territorial Leaders:

Colonel Wilson Strasse - Territorial Commander

Colonel Nara Strasse - Territorial President of Women's Ministries

Lieut-Colonel Manuel Márquez - Chief Secretary

Lieut-Colonel Paulina Márquez - Territorial Secretary for Women's Ministries

May our words, filled with faith and hope, reach the throne of grace and move the heart of God on our behalf.

Please pray:

For wisdom and divine guidance for the Territorial Leadership:

We earnestly plead for the guidance of the Holy Spirit upon our Territorial Leaders. May God grant them heavenly wisdom to discern His purposes, courage to make decisions aligned with His will, and the anointing necessary to lead this Territory with justice, love, and strategic vision. May they be instruments in God's hands to guide the Territory in His ways.

For a widespread spiritual revival throughout the Territory:

We cry out for a powerful outpouring of the Holy Spirit upon every heart, every home, and every unit of The Salvation Army in our Territory. May a holy fire be ignited within us, renewing our passion for Christ, our love for lost souls, and our zeal in proclaiming the Gospel. May this revival transform us individually and collectively, propelling us into more effective and impactful service.

For the full implementation and fruitfulness of the strategic development plan with the vision 'Focus on Jesus':

We plead for God's grace and power so that our Strategic Development Plan, centered on the vision 'Focus on Jesus', may be implemented diligently, with unity and wisdom throughout the Territory. May every strategy and action be guided by the centrality of Christ, bearing abundant fruit in the growth of the Kingdom, the expansion of the mission, and service to the community.

For new ministry openings, that they may be firmly established:

We intercede for the new initiatives and ministries being established in our Territory. May God's hand sustain and strengthen them from the very beginning, laying firm and unshakable foundations. May they receive support, resources, and anointed leadership so they may flourish, reach lives, and become beacons of hope in their communities.

For the restoration of health and strengthening of sick officers:

We lift in prayer the officers facing illness and health challenges. We ask for divine intervention, pleading for complete healing, relief from suffering, and renewal of strength. May they feel the restoring touch of the Lord and experience His grace and mercy in their bodies, so that they may continue serving with joy and renewed strength.

For officers and soldiers deeply committed to the kingdom of God and dedicated to the fulfillment of the mission:

We cry out for a deep awakening and unwavering commitment from every officer and soldier to the Kingdom of God and the mission entrusted to us. May we be moved by a genuine love for Christ and for people, dedicating our gifts, talents, and resources to advance the Gospel and serve with excellence in every area of our ministry.

For a revival of ministerial vocations and a fruitful ministry among children, adolescents and youth:

We lift our prayers for God to raise up a new generation called to full-time service in The Salvation Army. May the young hearts be touched and called to the work of the Kingdom. We also pray for our ministry with children, adolescents, and youth—that it may be strategic, relevant, and transformational, shaping lives for Christ and preparing leaders for the future of the Church and the society.

May these prayers be risen like a sweet incense to our God, and may He, in His infinite grace and power, answer to the needs of His people in the Brazil Territory.
