United Kingdom and Ireland Territory

Territorial Leaders:

Commissioner Paul Main – Territorial Commander
Commissioner Jenine Main – Territorial Leader for Leader Development
Colonel Peter Forrest – Chief Secretary
Colonel Julie Forrest – Territorial Secretary for Leader Development

Please pray for:

Courageous discipleship

- Pray that Salvationists across the UK and Ireland will live boldly for Christ, reflecting his love in their communities. We thank God for evidence of his Spirit empowering Salvationist disciples to step up and stand out in many different ways resulting in deeper personal faith and unbelievers exploring Christian spirituality.

Prophetic voice

- Pray for the Army's voice to be heard in government, media, and public discourse, always rooted in Christ's compassion.

Most marginalised, most excluded

- Ask God to help us to continue to be a place of radical welcome, inclusion, and transformation.

Children and youth

- Pray for the young people in our corps - that they continue to encounter Jesus and grow in their faith. Ask God to raise up passionate youth leaders and provide the resources needed for vibrant, thriving children's ministries. We thank God for the numerous young people who have attended summer camps over the summer months and for the committed staff. We pray that God will have strengthened their faith and they will continue to grow in their discipleship.

Growing leaders

- Pray for the development of spiritually mature, servant-hearted leaders across all levels of the Army. We thank God for 12 cadets entering officer training this year and pray that others will continue to respond to God's call to whatever he is calling them to.
