We are grateful and praise God for his faithfulness to our Territory for:

- 10 new Lieutenants recently commissioned and sent to the field in December 2025.
- The 19 cadets who advanced to their second year and are now on summer break appointments, and the 14 accepted candidates who will enter training in March 2026.
- We thank God for the new converts, children, youth and families who have been won through the Territory's schools and kindergartens, and we pray that they will continue their spiritual growth in the linked Corps.

Prayer Requests:

- Pray for the continued development of the spiritual life of the Officers and Soldiers of the Territory through seminars, meetings, and growth workshops, more prayer warriors, and home prayer programs.
- Pray for the continuation of the Territorial Strategic Plan “Send Me” and its integration with the General’s Call to Action with “Compass”.
- Pray for the visit of the General and the WPWM to Ecuador and Peru in July 2026, and for the movement of the Holy Spirit in these places.
- Pray for the expansion plan, including the opening of new pioneering and outpost works and their development.
